Character Sketch

- Major has been working in the hotel and restaurant industries for over 15 years beginning at the Little Nell Hotel in Aspen as an Assistant Manager and all the way through to currently working in the Bahamas as a General Manager
- He understands island living and all it entails; his current location demands his attention to its water and power supplies where he uses his knowledge of reverse osmosis and desalinization techniques
- Major is comfortable sailing large vessels and can captain a 70 ft. powercraft and up to a 40 ft. Hinckley
- Major understands details of residential services and trains housemen; his personal service talents extend into the culinary realm as well, running his own catering company at one point
- He is the type of person who really enjoys outdoor activities
