Dear Mr. Epstein,

You can never say thank you too many times... and you deserve 11.7 million thank you's!

Why 11.7 million? That's the number of cancer survivors in the United States – the highest number in our nation's history.

As a *Partner for Excellence* you have had a significant impact on our ability to learn more about this deadly disease and develop new treatments. Your leadership support, Mr. Epstein, has touched the lives of countless cancer patients.

But further improvements in outcomes cannot happen unless we tackle the most difficult cancers, those forms of the disease that remain resistant to current treatments – exactly the type of research supported by the *Strategic Initiatives Fund*.

By making a gift today, you will bring us closer to our shared goal of progressively controlling and eventually curing all forms of cancer. But until then, we need you.

Thank you for your ongoing support,

P.S. Please enjoy our enclosed gift of thank you cards and envelopes. I hope you'll find them handy to show your appreciation to friends, neighbors, or family members... just as we appreciate your commitment to Memorial Sloan-Kettering.

YOUR GIFT TODAY GIVES HOPE, SPEEDS PROGRESS, AND HELPS SAVE LIVES!

Please use my gift to support the *Strategic Initiatives Fund*, providing the leadership of MSKCC with the flexibility to pursue the most promising developments in cancer research, treatment, and patient care. I have enclosed a gift of:
