RE: N162AD

Attn: Joan Roberts

FAA Records Search revealed the following TITLE information on the aircraft herein described.

Object: Engine
Make: Turbomeca
Model: Arriel 2S1
Serial No.: 20040

Record Owner: FAA does not register engines by name of owner. Lien status only is subject to recordation.

Subject To: NO LIENS OF RECORD

This report is subject to the accuracy of the Federal Aviation Administration employees and computers in their record keeping abilities in recordation of liens regarding engines of 550 shp or over. Specifically excluded from this report are liens, security interests, or other encumbrances against engines which are not specifically noted on the engine data cards maintained by the FAA prior to September 1997, and/or on the engine serial number inquiry screen for encumbrances recorded after September 18, 1997.

This search is subject to the filings reflected on the index of collateral provided by the FAA and Insured Aircraft Title Service, Inc. assumes no responsibility as to the accuracy of said source, and does not guarantee, insure, or warrant that said FAA index is free of error.

FAA Records Search revealed the following TITLE information on the aircraft herein described.

Object: Engine
Make: Turbomeca
Model: Arriel 2S1
Serial No.: 20533TEC

Record Owner: FAA does not register engines by name of owner. Lien status only is subject to recordation.

Subject To: The FAA advises that there is no encumbrance cross-reference card in existence for the above described engine indicating that the engine has never been encumbered within the FAA's recording system, therefore, there are No Liens of Record.

This report is subject to the accuracy of the Federal Aviation Administration employees and computers in their record keeping abilities in recordation of liens regarding engines of 550 shp or over. Specifically excluded from this report are liens, security interests, or other encumbrances against engines which are not specifically noted on the engine data cards maintained by the FAA prior to September 1997, and/or on the engine serial number inquiry screen for encumbrances recorded after September 18, 1997.
