Re: JEFFREY EPSTEIN , photograph
SOR Id: 33216

The law requires level 3 offenders to have their photographs taken every year. Level 1 and 2 offenders must have their photographs taken every 3 years.

Our records show that the offender named above resides in your jurisdiction. This offender is due to report to your agency for an updated photograph between March 26, 2011 and May 5, 2011.

The photograph must be taken within 20 days of the anniversary of the offender's original registration date. Therefore, a photograph taken of this offender prior to March 26, 2011 must be retaken.

The new photograph must be sent to the NYS Sex Offender Registry by one of the following methods:

1. Via Store and Forward, together with the offender's fingerprints, using a new criminal inquiry type of transaction (CARSOR).
2. Directly through e-justiceNY via the link on the Sex Offender Management suite.
3. By mail attached to the bottom portion of this form.

Additional instructions are available on e-justiceNY as well as names of offenders in your jurisdiction that owe a current photograph. Please call us with any questions at 518-457-3175. Thank you for your assistance in this matter.
