Dear Mercedes-Benz Owner,

Mercedes-Benz mbrace[®] has been protecting you and your family with extra safety and security. From the simplest problems to the most complex, it's reassuring to know your vehicle has a state-of-the-art service system backed by trained professionals dedicated to keeping you on the road and on your way.

Our customers have often told us of both the perceived and real value they have experienced with the mbrace system active in their vehicles. So when your trial period concludes within the next 60 days, your subscription term will begin. The payment method we have on file will be charged the annual mbrace subscription price of \$280, plus applicable taxes, as stated in the Mercedes-Benz mbrace Terms of Service available online at www.MBUSA.com/mbrace. A printed copy is also available upon request.

There is no action required by you. Your subscription term will begin automatically on or about your renewal date. We trust you will want us to continue providing outstanding safety, security, and convenience to you and all those who travel with you. If you would like to cancel the service, please call 866-990-9007. When calling, please either call from the phone number we have on record or be prepared to provide your PIN.
