Dear Jeffrey Epstein,

We have a prospective client who is interested in a vehicle like yours. He is looking for a 2006 Bentley Continental Flying S with less than 50,000 miles.

Jeffrey, because of our immediate need for a quick transaction and the potential inconvenience to you, I am willing to offer you a brand new 2013 BMW of your choice at our Friends and Family preferred pricing.

Please call me at your earliest convenience, at 1-888-327-1879, so I can notify our client we have found the car he is looking for.

Regards,

Raj Alexander
