Re: Confirmation of Entitlement to Act

To Whom It May Concern,

Previously, you authorized one of our escrow agents at Insured Aircraft Title Service, Inc. (IATS) to act as your administrator for registrations made with the International Registry (IR) in connection with aircraft transactions. The Power of Attorney (Confirmation of Entitlement to Act) under which you authorized IATS to act as your administrator at the IR will expire **04/12/2014**.

If you wish to renew and/or have transactions pending and wish IATS to continue to act as your administrator please email Kandace Richardson at [REDACTED]. The reasons that would require a renewal would be a purchase, sale, finance, refinance or lease of an International Registry qualifying aircraft is (1) has at least 8 seats, (2) 550 horsepower or more (3) capable of transporting 6090 pounds. It must meet at least one of these qualifications to be filed with the International Registry. For your convenience we have enclosed a copy of the original Confirmation of Entitlement to Act that was last submitted.

If you choose not to renew, simply so note this on the bottom of this letter and return it to our office by email, fax ([REDACTED]) or regular mail. Please contact Kandace Richardson at [REDACTED] if you have any questions. Thank you for your business.
