I paid you cash for our first Walgreens trip

We split the bar & dinner bill at Scarpetta for meal (we each paid \$18.78 and \$69.37)

I don't know who paid for Katsuya Dinner?? I have the total: \$189.23, but do not see a charge from either one of us...Did you pay? Did we split?

This is by no means exact and I could be missing a receipt...if you remember something, let me know...

For now, I owe you \$650.24. If I owe you for Katsuya also, I owe you \$744.85!!
