PAX LEG NOTES				

Please advise all passengers that carrying hazardous materials or dangerous goods is not permitted. Dangerous goods are defined as substances that pose a significant risk to health, safety or property when transported by air. Many everyday materials are classified as dangerous goods and may be harmful to our passengers, employees, or aircraft. Items such as pressurized gases, corrosive substances, flammable liquids and explosives are considered dangerous goods.

Passengers should consult the Captain if there are any questions about items carried in their luggage or on their person.
