

E-TICKET RECEIPT and ITINERARY

E-Ticket Number : 016 2060 601205 MANDELSON PETER

It is mandatory for international passengers to carry this e ticket receipt during the check in procedure. This e ticket has been issued by ATP (UK) Ltd. IATA license 91269032

Please remember your passport for international journeys and have a valid form of photo identification (passport or driving license with photograph) available for travel within the UK and Republic of Ireland.

When connection flights are not shown within the same e-ticket receipt, it may be that multiple tickets have been issued to cover your journey, often this enables considerable savings to be realised.

However through check in to your destination may not be possible. Please confirm clearly with check in staff at first point of departure, and have onward coupon or E Ticket Receipt available as you may be required to collect any baggage and pass through Immigration and Customs checks at a connecting airport.
