Thank you [REDACTED]! I will text [REDACTED] now...I just think someone else needs to be at the house with her...we really don't know her that well yet...and yes, if Jeffrey texted you and Arina that he will be in NY at 8pm I think he is telling you so you will be there...

Hello! absolutely!

Could you ask what time she will be at the house today so I'll go there and check everything out

Je just texted me and Arina that he will be in NYC at 8pm.. does it mean we should be there?

[REDACTED], can you make sure [REDACTED] helps get ready for Jeffreys arrival? I will text her also. Who else will be at the house tonight? Thanks
