Merwin had a great idea...we will take the TV from 7J and put it in 3M for Yoni's stay.

Tess, Merwin: Please let me know when you have time to move Isabella to 11P and get 7J cleaned up

Rich, I don't know what size the TV's are over there..sorry on that...but i am sure Merwin can answer for you ...apparently Svet took the TV with her when she moved out so I assume cable is already working there(?)

thanks!
