Bella,

I will also move the box from 7J to 3m as long as there is a cable connection in the apartment.

That will be a big confusion. We don't have cable in 3M, only internet. First we need to go and buy a TV at Best Buy. If it is in 3 M today i will add TV service to already existing internet. I can ask to overnight cable box or may be we can pick it up at TWC location.

Thank you,

Bella

Hi Rich,

I will let you know the size when we go there later today. We are going to transfer the tv from 7J to 3M for the meantime until we get a new one.

Thanks

Hello All. I have just been informed we have no TV in apt. 3M. We have a guest who arrived today and is staying until Oct. 18th. We need to do some reorganizing...

, can we please clean up apt. 11P and have  move there today? I believe this is where Jeffrey wanted her anyway

-Can we clean 7J and move Yoni and his wife there so they have a TV for their stay. They also need an extra set of towels because there are 2 of them ...Let me know once the cleaning is done and I can let Yoni know they can move to 7J

-Rich/Bella, can we order a TV and get cable for apt. 3M prior to Oct. 9th when we will have a new guest come and stay there? Merwin perhaps you can help in the set up and coordinate w/Rich/Bella

Please get back to me! thanks, Lesley
