[REDACTED]! sorry for delay in response...TIME GOES TOO FAST! enjoy every minute of every day...enjoy your pregnancy, even the bit of morning sickness and all! I wish I had embraced it all more...especially since I was only blessed once with a child...It is THE MOST AMAZING thing you will ever experience...the first 3 years of [REDACTED] life I recall looking at him and thinking "i can't believe we created you!" it is unlike anything you have ever imagined...the best best best part of life..giving life ...and then taking care of that little boy for the rest of your life...hence,...time goes fast...my little baby is not a baby anymore...I'm glad I have the pictures to go back and stare at...and cry at ! ha!

wanted to pass along some sad news...Lyn, Jeffrey's house woman was diagnosed with stage 4 liver cancer... she has been in the hospital since Aug and I just learned today she had a stroke and is unresponsive for the most part...she will go home and receive hospice care...very sad...

Take care, stay in touch

Thank you! I am definitely taking my vitamins and that includes folic acid :) the baby is healthy and growing normally, I had a bit of a rough time with morning sickness for the first two months but feeling much better now! I'm still living in my apartment in [REDACTED] and we plan on staying there probably for another 1.5-2 years. it's not ideal but it will give us a chance to continue saving money! Both [REDACTED] and I are working in the city - he works at [REDACTED] uptown and will probably work there for the rest of his life (you know how scientists are!). We do have plans to move up to [REDACTED] or [REDACTED] county eventually though. I think at this point we will just have to take things as they come!

It's so great to hear you get to be home with [REDACTED] so often and that he is doing so well! I can't believe he is [REDACTED]! He was a baby last I remember! It's good to hear that he likes middle school, from what I remember I didn't love it so much! Anyway, so glad to hear y'all are doing so well! I will absolutely keep you updated!

XOXO

Hi [REDACTED]!

Hope you had a great Christmas and New Year! Just wondering if I could give your name and contact information as a reference for a executive/personal assistant role at [REDACTED]. They are really interested in my role at NES since it was of an executive/personal assistant capacity. I did not give them Jeffrey's name and told them I preferred not to (wasn't sure how he would feel about it since he is private!).

Thank you!

I agree, it's all about networking and obviously having Jeffrey looking out for me is really amazing. Any bit of help always goes a long way! I am so appreciative! Eva does great work and it would be amazing to be able to work with her. Fingers are definitely crossed! I was planning on mailing JE a little thank you note, do you think that would be ok?

Hope you have a wonderful holiday as well!

Jeffrey is always quick but I was very happy he wanted to meet with you...Robin Hood would be fantastic! and even if not Robin Hood your name will be out there...if Eva doesn't need someone perhaps when someone asks her if she knows someone looking your name will be mentioned ...all about networking!! Wishing you the best and lots of fun with the holidays! Take care and keep in touch... [REDACTED]

I was in Westport visiting my cousin! I haven't been to New Canaan but Westport is pretty great!

I'm still dating the guy from July! His name is [REDACTED] and he is an [REDACTED] at [REDACTED]! He's pretty great....the best boyfriend I've had so far haha. We plan on moving in together in the next couple of months!

I started working about 2 months ago at the the [REDACTED] in Rome. It's a great institution but I'm starting to question my decision to work in the non-profit sector - I can barely live off of the salary and there are alot of anxious personalities in the field!
