hello Lesley,

Thanks for the detailed e-mail. I already was asked by my travel agent and security.

In fact we stay at Cambridge, Harvard, as Ehud is a visiting professor for few weeks. Saturday he has no schedule. Anytime will be suitable. We are few minutes walking distance from the address you gave.

We do not need transportation from tetenboro - we shall ask the driver to be there as from 7:30 PM.

I shall let you know later today the name/names of the security details escorting us.

Thanks for the apartment. if you know when Tes is coming, let me know. I can disarm the alarm from my iPhone and she will not have to call Rafi.

best
Nili

Hello Nili...hope you are well. I understand this Sat. Sept. 17th, you and Ehud will be in Boston and then plan to come to Harvard to meet up with Jeffrey at Martin Nowak's office. I wanted to pass along Martin's office address:

1 Brattle Square, Suite 6
Cambridge MA 02138-3758

What time do you think you will be able to arrive? Jeffrey will also be flying you both back to NY with him this evening...I have heard around 7/8pm wheels up from Bedford airport to Teterboro...it's only about a 30 minutes flight...up and down!

Will you need transportation from Teterboro or is this something you take care of? Will there be any security detail that needs to fly with you? If so, please let me know how many will come along and their names so I can let Larry, our pilot know...

Your apartment will be ready for you!

Thanks and look forward to hearing back from you.
