Hi [REDACTED],
Since I stopped work for Peggy, Jeffrey told me to send her a gift.
Question is if you have her apt. Address!?
because usually she's not at the office and when she's not there and receiving any present, her personal assistant usually opens it and they gossip w girls who/ what has sent to her. What I'm trying to say I don't what them to do w my present as well. That's why I'm thinking best is to send it to her place and if she's not there just leave it w doorman.
I was sure I have her apt address but looked it up now and I don't.
Thank you !!
