>>>>>  
>>>>> The meeting with Ari went well I think, he seems like a very nice guy and is willing to teach. I will initially be placed with his talent and capital sourcing team to get used to the market and will dip into the quant and operations side a bit later. I also asked about payment and he said [REDACTED] get back to me on that. Overall, I think it's going to be a great learning opportunity and am really looking forward to it!
