>>> Lesley, Sept 6th would be perfect, I am free for the whole day. Sept 7th I can early morning and at around 12.45-13.45, or in the evening. Of course, if that doesn't fit I would accommodate Jeffrey's schedule.

>>>

>>> The meeting with Ari went well I think, he seems like a very nice guy and is willing to teach. I will initially be placed with his talent and capital sourcing team to get used to the market and will dip into the quant and operations side a bit later. I also asked about payment and he said he'd get back to me on that. Overall, I think it's going to be a great learning opportunity and am really looking forward to it!
