Since emailing you this idea, Jeffrey handed me a resume for a maid and asked to coordinate a meeting with her for Karyna...Karyna was to meet with her last night at 6pm...not sure if it happened or what result was. But Jeffrey may be looking for a maid to take Lyn's place at the house since [REDACTED] can't commit to weekends (?)

I know [REDACTED] is quite stressed out with Lyn's situation and has stayed in 10B with her...i also know Jeffrey/Karyna says [REDACTED] can stay on the 5th floor if she would like...so she has options to help her out now...

We (karyna, [REDACTED] and I) visited with Lyn yesterday...she is WAY weaker than before...very NOT well...she only whispered and barely spoke at all really...very sad to see her like this...I really did not know what to say.

But back to [REDACTED]...I can use her on an "as needed basis" for awhile...as we determine what to do here. However if Jeffrey is gone, I don't see why [REDACTED] can't take care of 301 some and Lyn at the same time...(?)

We paid her \$70 cash for each apartment she cleaned...
