I'm so glad you were able to visit [REDACTED] and made her laugh some Rich. When I was with her it sounded as if she takes care of all the finances and pays the bills and takes care of day to day things...she knew exactly how much money they need monthly to make ends meet...she doesn't think [REDACTED] is really aware...Jeffrey also expressed to me he 'wonders what will happen to [REDACTED]...not sure this is the stuff you spoke about but [REDACTED] (and Jeffrey) are thinking about 'what will [REDACTED] do'...even while [REDACTED] someone needs to be taking care of these things..

The [REDACTED]. I'm glad [REDACTED] was able to take a walk...do you know if she went outside ? or was this just around the apartment? [REDACTED]  
[REDACTED] I hope [REDACTED] and [REDACTED] don't wait until Friday to see [REDACTED] They get in late tonight, but should see her on Thursday...at least that is my two cents..

I hope Darren goes to see her..kind of surprised he has not yet ...I will go next week if she is up for it for sure..

You're being really good to [REDACTED] Rich. I know she sees you as a pillar in her life ...to help guide and give advice...I think she looks up to you and trusts you. As a friend to [REDACTED] I appreciate your thoughtfulness as well..

[REDACTED] told me that she took a walk today and ate some food Leo cooked for her. She said that [REDACTED]

[REDACTED] She voiced some of her fears and concerns which we can discuss over the phone or when we meet next. I told Darren to visit soon and he said he would see [REDACTED] tomorrow. Lynn mentioned that [REDACTED] and [REDACTED] arrive home tonight and she will hopefully see them tomorrow or the next Friday. [REDACTED] mentioned how lucky she was to have Jee in her life and got a bit emotional.
