Oh [REDACTED]! Please do not apologize!! You have a lot going on! I want to email you and text you and don't ever feel like you need to respond unless you are up to it, have the time, want to or whatever...I will know you have read what I have to say and I hope it reminds you that I am thinking of you!!

How I wish so badly this was not happening to you as well... You just don't deserve it...I too, wish it was a bad dream and we would all wake up! But as you say...this is the hand that was dealt ..and now it is time to deal with it! you are stronger than most anyone I know...taking care of everyone else...being there when needed...You can become a miracle...

Download your pics to your new digital frame and keep in front of you!! I think you will enjoy seeing them all for sure...

10B is Yours!!

Love you too...

take care...xoxoxoxoxoxoxoxoxoxoxo [REDACTED]
