[REDACTED] gets back tonight at 10pm. Very happy they will finally be here to support Lyn. Tess could use the support too I think. Thank you for passing along. I have been communicating too with Lyn. Spoke with her yesterday and she sounded very weak and tired. I know she is at hospital now for her first chemo appt. then she will go back to 10B. I'm sure she will not feel very good after this but who knows. Maybe she will be ok now but as the treatments progress feel worse and worse ...and then hopefully better. Jeffrey didn't want Lyn to go to 71st and I suggested 10B. He thought great idea considering it is closer to hospital. She feels comfy there I think and it will be nice to have Jake, Jojo, Tess, Karen, [REDACTED] and Brianna close. ..
