Do they need to go via Seoul, they are not staying there?

I can book them one way - best coach fare - from Manila via Taipei to NYC= with EVA AIRWAYS.

In some cases, Concierge Company will provide you with certain information about the service provider(s) fulfilling your concierge service. The actual decision to use any service provider referred by Concierge Company and/or American Express is the responsibility of each Card Member. Concierge Company and American Express strongly recommend that you carefully consider each service provider before choosing to use that provider. Service providers are not employees or agents of Concierge Company or American Express, and are not authorized to act on behalf of Concierge Company or American Express in any way. The Card Member accepting and utilizing a service provider acknowledges that Concierge Company and/or American Express are in no way responsible for the actions of the service provider used by the Card Member, and expressly understands and agrees that the exclusive remedy for any claims relating to services or products provided by the service provider (including, but not limited to negligence or failure to deliver on the terms of any contract between the service provider and the Card Member) is against the service provider and not against Concierge Company and/or American Express. Concierge Company and/or American Express shall not be liable for loss, damage, or other claim with respect to any services or products provided to Card Member by service provider. Service provider rates and availability are subject to change.
