Hi Eva...Jeffrey is asking if you could please call [REDACTED] for him and help with appointments for [REDACTED] [REDACTED] and [REDACTED] [REDACTED] today...I called and was told his first available appointments are next Monday but Jeffrey would really like them to go today...I did tell the receptionist these appointments are for Jeffrey Epstein's assistants who have been on his island, but she was not very helpful...

Their appointments currently stand for next Monday Aug. 15th at 8:30am and 9am...do you think you could give his office a call for Jeffrey?

[REDACTED]: [REDACTED]

Thank you
