Date: Wed, 27 Jul 2016 11:01:56 +0000

Jeffrey wants to try and get his appt back for him this morning for the [REDACTED] at 8:15!!
Jojo please get the car out just in case! I am told no one can help with this appt until 8am
this morning so it will be a fast turn around. I plan to start calling at 7:30am in case
someone is there early that can book scheduling. Jojo, please confirm you know you need to
get the car out just in case this appt works out!
