your number. He's asking my Dr's name and so i ask my attending physician if possible my boss can talk to him or call them dr said that he can call him but i give your number instead. So i hope they will call JE maybe just wait when he call if he's not there anymore then you csn just pls askanout what's the situation im having i think he's concern about my problem so lets just wait for their call and relay it to him pls thank you!!!

Hi [REDACTED]...OK, so the doctor will call today and he needs to speak with Jeffrey...I will put him through to him. Does Jeffrey know Dr. Eiss will be calling for him later? or do I need to tell Jeffrey?

Yes it stinks getting old! But you have to listen to your body! I'm glad they ran the tests. When do you get answers? Do you get to go home now? You should go to LI and rest and let [REDACTED] look after you!

>>> I'm happy the doctors seem to think they know it is your [REDACTED] at least. I'm sorry you are having to go through this. No fun at all I know! But again, take care of yourself. Jeffrey is leaving for most of the day (he even told me to work from home today and not come in). All will be just fine. Take care and keep me posted. ❤️ les
