Hi Lyn...OK, so the doctor will call today and he needs to speak with Jeffrey...I will put him through to him. Does Jeffrey know Dr. Eiss will be calling for him later? or do I need to tell Jeffrey?

Yes it stinks getting old! But you have to listen to your body! [REDACTED] glad they ran the tests. When do you get answers? Do you get to go home now? You should go to LI and rest and let Karen look after you! 👍

>> I'm happy the doctors seem to think they know it is your Lupus at least. I'm sorry you are having to go through this. No fun at all I know! But again, take care of yourself. Jeffrey is leaving for most of the day (he even told me to work from home today and not come in). All will be just fine. Take care and keep me posted. ❤️ les

>>> Good morning Les, Thank God every test is okay they said except for one thing they are concerned, they see something in the liver and that will be the things to be done today, they think my lupus is flaring up so he's to be blamed 😊 but then I hope I can go home today. Thank you for everything 😊 see you !!!
