Hi Jeffrey,

The best e-mail to write Noam is his private one: ████████████

Noam and I enjoyed very much yesterday. And thank you for all the gifts.

I noticed and have to thank you for your kind mediations during the discussion yesterday.

Valeria

We did too, very much. Had a meeting right after, which is why we had to leave. Just got home and opened the Care packages. What a treasure.

Valeria's always keen on New York. I'm really fantasizing about the Caribbean island. Have to figure out a way to work clear of endless commitments.

Noam
