Hi Amanda. Hope you had a nice weekend. I just left a VM at the office for Carolyn but wanted to follow up with an email to you for a special request from Jeffrey. Jeffrey is asking if Dr Moskowitz could call Dr Jennifer Solomon in NY and ask her to speak with Jeffrey for 5 min today re his MRI of his back (I can get a CD to her today). I called and asked for this and was told no. Jeffrey is hoping Dr Moskowitz might be able to help here! Please let me know! And if dr Moskowitz can help I'll have the CD taken to her ASAP. Thanks so much, lesley
