Hello Helen. Hope you are well. Jeffrey would like to donate \$50,000 to Richard's kids charity, Big Change. We need to write you a check for this however (we do not have a CC for the entity that will be donating) Can you please let me know who we should make the check out to and where to send? Also., can you please be sure that Richard is aware Jeffrey will be making this donation?

Thank you,
Lesley
