Hi again Mimi. Jeffrey had to attend an emergency meeting and has asked that I postpone this consultation. I truly apologize. I will call Dana once Jeffrey can give me a clearer idea of when he can have the consultation.

Thank you for your understanding

Lesley

Good Morning,

This is to confirm your Skype consult appointment with Dr. Kim on June 14th at 8:30am PST.

Please be aware that we have a 72 hour cancellation policy for new patients. If you need to cancel or reschedule *please provide us 72 hour notification.* I am attaching our PMA contract which I need signed and returned **BEFORE** your consultation. This allows the doctor to freely speak with you about all the alternative therapies that we offer. The \$10 for your PMA contract will be added to your visit.

Also, please send over **PRIOR** to your consultation the following:

1. A DETAILED summary of your health from date of diagnosis to current. This is *the* most useful information for the doctor as they want to see where you are at now.
2. They prefer not to review hundreds of pages of records from the past. If you have a report from a current scan and current blood work please email or fax ahead of time. We do not accept CDS
3. If you haven't already provided your list of your supplements and medications we will need that as well

It is essential that we have these items sent over 3 days prior to your consultation for the doctor's review. If we do not have these items, your appointment will be canceled and we will have to reschedule you for a later date. This is to ensure that we provide the best possible care.

Thank you,
