Hi [REDACTED] - I'd shoot for between 10 and 1:15 because busses sometimes arrive early and block up the parking lots.
Thanks,
Ian

On the side where you see the handicap ramp and the dumpsters. Let's avoid any bus traffic and do this between 10 and 2 p.m....you pick a time and I will meet you there with handtruck and staff. Drop me an email confirming time and I will call you tomorrow a few minutes before pickup time to find you.

thanks so much

Scott

yes absolutely we can help. When do you want to do it? Our best options are either SAXE school or the High School. Both have loading dock areas and good storage. My cell is [REDACTED].we could do today or tomorrow if you are ready.

Scott,

I have about 40 monitors at my house now. Where is the best place to take these for drop off? Can someone be there to help my wife will probably be dropping them off?
