Hi [REDACTED]...where you able to print your ticket? I'm sure Amex thinks it is fraud. Can you purchase your ticket and get reimbursed by [REDACTED] when you see her?

I recall us going through this last time...I think it will be best in the future for you to purchase your own tickets and get reimbursed...a 'red flag' goes up when a ticket is purchased with someone else's credit card other than the person actually taking the train...

[REDACTED], can you help?
