Jeffrey-

I wanted to thank you for taking the time to meet with me. I thoroughly enjoyed our conversation and hope my passion and dedication for my business came through in the meeting. I live and breathe this business and take my returns, integrity, and reputation quite seriously. And, I believe I have the mental fortitude and energy to stick through the tough times and drive value when others are fatigued.

I intensely appreciate like minded individuals and would very much look forward to having you join us at the fund.

I have attached our subscription documents / PPM for review.

I would very much look forward to continuing the dialogue and working together.

Thanks in advance for the consideration.

All the best,

Adam
