Dear Lesley-

I will go, but I will get to Teterboro with my own car service (and will be prompt and early, not to worry). Just to confirm, it will be at the same terminal as last time, and same plane, right?

Best and thanks,

Barnaby

Hello Barnaby. Jeffrey will be making a trip up to Harvard this Friday, April 29th and says you would like to come along. Wheels up from Teterboro is 9am. We can organize a car for you again with CarsCo. Pick up 7:45am from [REDACTED]

All sound good to you!?
