Hi [REDACTED],

Just to clarify things, although [REDACTED] and [REDACTED] are most welcome to come to any future workshops, they will still have to be paid for as no refunds are given except in emergency cases for medical reasons. It just isn't possible to finance these workshops if people pull out a few days beforehand as in this case. I hope you can understand.

Sincerely,

That is really unfortunate. You can take a look at the calendar for the next workshop which will be in June. <https://thaimassage-sacredbodywork.com/thai-massage-calendar/>

Unfortunately they are already out of town and will not be back to NY for 10 days. I know they really want to participate but can't this time around.

Hi [REDACTED],

I really don't know what to say. I am so disappointed. Couldn't their work be rescheduled since they are already signed up for this course and no refunds are given.

Good morning Ananda. Unfortunately both [REDACTED] and [REDACTED] will now be out of town for work during the time they are to come to your class. Any chance we could get a Crestor for the course or at least have an opportunity to delay and take it at a later date? So sorry but other commitments are getting in the way.

Please do let me know at your earliest convenience. I am on vacation and may be a bit slower to respond back. Thanks, [REDACTED]

Dear [REDACTED],

Please disregard the email below about the payment as I have received it. When I wrote you the email, I didn't know that Jeffrey Epstein had paid for your training. How wonderful! I look forward to meeting you soon and will be back in touch early on in the week of April 15th.

Warmly,

Ananda
