Subject: Clean New Canaan April 18-24

Date: Tue, 05 Apr 2016 17:46:25 +0000

New Canaan's "**Clean Your Mile Campaign**" is scheduled for the week of April 18 to 24, and officials are seeking volunteers to help organize the local effort—businesses, churches, nonprofit organizations, students, athletes, community service groups and individuals all can help make sure public spaces downtown, in parks, school grounds and residential neighborhoods are clean. Each group would only commit 1-2 hours, and garbage bags are made available at the **Department of Public Works** (first floor) and **Inland Wetlands** offices (lower level) at Town Hall. The committee that oversees Clean Your Mile is busy organizing area assignments now—those interested should email or call **Lola Sweeney** at [REDACTED] or [REDACTED].
