Hi Shane...this is Lesley Groff not Lesley Hartnett (team mom!) Hartnett's have [REDACTED] and Groff's have [REDACTED] but mom's are both Lesley! I know, confusing!

I was in charge of purchasing the coaches gifts...I actually MAILED you the gift card in regular US mail to your home...Lesley HARTNETT gave me your address...have you checked your mail by any chance? I am hoping you rec'd it because I sent last week...please let me know...

So sweet of you to say you could provide [REDACTED] (or [REDACTED]) with some advice...[REDACTED] is involved in LAX tonight however...I did tell him I heard back from you and it made him smile

Let me know if you get the gift card for Sports Auth in a regular envelope with my return address...thanks! Lesley

Besides the gift card with will give me a chance to see [REDACTED] and provide him with some advice for this summer, what he should work on and what to look forward to next season. If that's works I'll be there! Let me know.

He says Hi and wanted you to know he really enjoyed having you for an assistant coach.

I want to make sure you received the \$50 gift card from Sports Authority in the mail! I sent it over a week ago so it should have reached you by now ...
