super...this is a great start. I will reach out to all, explain the Urban Detox and provide a link so they can see the website, etc...and ask them what Mon/Tues/Wed will work for them...then I am happy to help coordinate with your scheduler...just give me her email address once you know who will take over.

I will ask Jeffrey also if he would like to have one of your people come to the house so he can experience an Urban Detox! He won't be back until around 17th or so...

Hi Lesley,

Maybe Jeffrey would like one for himself in the house as well?

I think its best to just co-ordinate via email

I'm going to hand over scheduling to someone in the next

two days and then you can deal directly with them for the

few JE is talking about (including you, of course!). The session is our

Urban Detox reconnection ritual - the one you already have the

details for. If you want to start to put together tentative

times that will work for each person that would be a good start,

Mon/Tues/Wed are the best hours to book in general.

Thanks, Lesley
