Hi Jeffrey, very nice to see you last evening w [REDACTED]. Attached is the mash of Katie Perry singing in and out of Japanese. I had trouble getting it from my iPhone so it sounds a bit distant.

When you have a moment, I look forward to hearing your input from our meeting. When you give me the go ahead, I will contact [REDACTED] to have someone measure the walls and windows of the massage room.

Look forward to our next steps, best Penny

Ps I will be in Paris and Milan for the next week if you need me to do something there.
