Thank you Les! Yep, I could have asked the doorman but I left with JE. And I won't be able to open 8A for the workers..

I will contact the superintendent of the building...his name is Andrew Losso...you should have his email and phone number in case of any emergency you (or one of the apartments) may have!

Also, if you ever need help quick, just pick up the phone that connects you to the doorman and talk to him! He can direct you ...
