Hi Eva...I wanted to put you in touch with [REDACTED], who is cc'd here, regarding her new healing concept spa Pursoma Sacred Space NY. She would like to introduce you to her spa and gift the Dubin Center 10 sessions...I believe you spoke to her directly about this a bit ago and you advised her to reach out to you in January or so....

[REDACTED] cell number: [REDACTED]

I hope you two can take it from here!

Thank you,
Lesley
