Jeffrey is now saying he will go to Vancouver morning of Tues. Feb. 16th (not Monday Feb. 15th as originally planned) Jeffrey also says he may want to stay at the Fairmont Waterfront instead of the Hyatt because it is supposed to rain...the TED conference is being held AT the Fairmont Waterfront... (he would prefer to stay where the TED conference is actually going on and where Jeffrey has a conference room for himself under Enhanced Education) Jeffrey has also said he will leave Vancouver evening of Feb. 18th instead of on Friday Feb. 19th.

All subject to change of course!

I will send you the Fairmont Waterfront room confirmations as well as the Hyatt confirmation.
