Bedford trip is for Friday Feb 5...I have confirmed dinner for him this evening with the Chomsky's and have others lined up for during the day...I think he will want to be there by about 11am...As for after Cambridge...I kinda assumed he would go to the island, but you are correct..at one point he said he would go to Paris on the 6th...haven't heard anything more though since the one mention! Rich Kahn seems to think JE will not be going to Paris...I kinda agree...if I hear anything will let you know!
