Not sure what she knows about the consulting agreement so I would not mention any agreement to her. Just ask if there is a different mailing, fax and email address for private correspondence.

What email address do you use for Leon Botstein? I want to include it in a consulting agreement with him. Is there a school one and a private one?

Same question regarding his address for notices in the contract. I see he has a home address and a mailing address. Is the mailing address a school address while the home address is for private mail? Or does everything have to go through the mailing address?
