Morning! Jeffrey says he will call Barbara tomorrow (and I will remind him) but he says he will pass on [REDACTED]...he bought already prepared food in a restaurant without telling him he says...I'm sure Jeffrey will fill you in...

I have also asked him about [REDACTED] and if he wants to interview face to face but i have yet to hear back...maybe he will reply to me later today? If not, Barbara can bring it up with Jeffrey tomorrow...

I sent the resume of the new estate manager candidate to Jeffrey this am...we will see what he thinks...

thanks! Lesley
