Dear [REDACTED]:

I'm just in between flights at the moment. My assistant will send you current specs and photos shortly. In the meantime, you can access the same information on my website at [www.hagertyjetgroup.com](http://www.hagertyjetgroup.com) under G450 s/n 4141. The airplane has just under 2,700 hours and 912 hours. It's shows in immaculate condition and is based in Teterboro.

We're about to announce a price reduction to \$18.95M at the end of this month.

Please don't hesitate to call with questions.

Sincerely,

James
