sure [REDACTED]...Tess can you incorporate a quick go through of [REDACTED] apartment over today/tomorrow please...

So you have 5 apartments to worry with over today /tomorrow

11B
11J
[REDACTED] apt
[REDACTED] apt
[REDACTED] apt

Friday will be 8A (but the guy will barely be there...change sheets, empty garbage...Lyn is hoping you will both be here at the house Friday to help with the lunch at 1pm)
