Eric said that yes he will be taking his bag with him to the house when he cooks on Friday. He is actually flying back to DC that Friday night after the cooking trial and interview. I have given him the information for the apartment and the house.

Thanks,

Michelle

yes.and for cleaning purposes of the apt.will Eric be taking his bag with him to Jeffrey's house when he comes to cook this day? I assume he may be staying with his friend overnight Friday.if this is the case, I can have the apartment cleaned mid day so we have for over the weekend.but let me know what Eric was thinking..
