Morning Amanda. I was able to get Jeffrey an appt with Dr Desloge today at 4:30. Might it be possible for you or Dr Moskowitz to please give Dr Desloge a call and let them know he is coming and if there is anything they can do to help with no wait time Jeffrey would greatly appreciate it? He gets a little crazy when he has to wait!

Let me know! Thanks, Lesley

Hi Lesley,

They are typically very accommodating for our patients. It will be much easier for you to call as Dr. Desloge has surgery as well as office days, which I am not aware of her schedule. Let me know if you have any problems making an appointment, but you should not have any trouble. I have no control over wait time, but I'm sure if you mention that he is on a strict schedule, they will try to be mindful of that. Thank you!
